SAVABEEL

CLAIMS ALL 3 MAJOR SIRE AWARDS

SAVABEEL HAS DOMINATED NEW ZEALAND'S SIRE RANKS IN 2015-16, CLAIMING ALL THREE OF THE MAJOR SIRE AWARDS.

Savabeel won the Dewar and the Grosvenor Award the season prior but took matters one step further in 2015-16 registering Centaine Award success also, thanks to international progeny earnings of \$14,604,727.

To put this in perspective, there were only **2** active sires in Australasia who exceeded this progeny earnings figure for 2015-16.

"Savabeel has already stamped himself as one of New Zealand's most influential sires. This clean-sweep of awards is a terrific continuation of his incredible impact in the top echelon worldwide," commented Mark Chittick.

O'Reilly is the only other sire to have achieved this award three-peat, doing so in 2012-13 and 2013-14.

SAVABEEL has sired **11** individual **G1** stars, with 2015-16 leading lights comprising of Sydney's black beauty, **LUCIA VALENTINA** (who won the world's richest 2000m turf race, the **G1 Queen Elizabeth Stakes** at Royal Randwick), the **3x G1** hero **KAWI** and **SOUND PROPOSITION**.

All told, the Cox Plate winning sire has produced **50 stakes winners**, with no less than **11** achieving black-type distinction during 2015-16.

Such a tally sees him lead the NZ way for stakes winners and sees him in the very top echelon of the elite producers in Australasia.

His incredible versatility is demonstrated by the array of distances over which his stakes-winning progeny excel. To this end, he has had **8** superlative sprinters, **27** black-type milers, **20** middle distance stars, **11** stayers, and has also celebrated **2 G1** Derby winners, **2 G1** Oaks winners and no less than **16** Cup winners.

"What's more, Savabeel has produced six 2YO stakes winners and with a 9.3% stakes winners-to-runners ratio, he is one of Australasia's very best stallions!" added Mark.
